

Section E5 Order of the Arrow NLS Scholarship

To lower the barriers of entry to attending the 2026 National Leadership Seminar in Fruitland Park, Florida, Section E5 will award a number of scholarships to assist youth Arrowmen with their NLS event fee. Youth Arrowmen who wish to apply for a scholarship should send this completed application to the Section E5 Adviser no later than January 31st, 2026 via email to adviser@e5.oa-scouting.org. The amount of the scholarship will be a maximum of \$80 (covering 1/3rd of the event fee). One applicant per lodge in Section E5 will be selected based on merit and need.

Each recipient and their Lodge Adviser will be notified via email before the NLS registration deadline of February 5th, 2026. If possible, youth should register for NLS as soon as possible, as there are a limited number of participant spots.
