The purpose of the King's Cup display is to preserve the history of each lodge. The competition will focus attention on the quality of content as well as the growth and development of the display. Each lodge must be set up prior to competition; each lodge must fit into the assigned 10 foot by 10 foot box. No part of the display may be more that 15 feet high. Each lodge must provide 1 judge who will stay for all presentations. Failure to meet these requirements will result in disqualification or reduction of points.

The Section Vice Chief is the lead judge for this event.
