Lodge Spotlight

Southwest Sentinel: Osceola Lodge

Osceola Lodge is gearing up for our upcoming Fall Fellowship. We are going to have a very fun American Indian Activities (AIA) themed weekend. We are promoting AIA as much as possible to get an interest going again in our Lodge. This Fellowship weekend we will be inducting a new class of Brotherhood members as well as conducting our Vigil selection process. Some of the highlights of the weekend will be AIA activities all afternoon including dance, drum, regalia making, weaving, and beading. We will also be having a powwow Saturday night that we encourage all to attend.

The Bonnet

Statement from the S-4 Chief

Fellow Arrowmen,
There is much to look forward to as we begin a new Scouting year. I am excited to see many of you at the National Leadership Seminar and Developing Youth Leadership Conference, coming up on September 24-26th. If you have not already done so, I encourage you to register for NLS or DYLC. Additionally, the O-Shot-Caw Lodge – this year's SLS host lodge – and the Section Leadership Team are preparing to put on an unforgettable Section Leadership Summit down in South Florida at Camp Elmore on Nov 5-7th. Don't forget to grab your Pre-Order Trading Post gear at tinyurl.com/SLS-Trading-Post.

I hope to see you around!

Carson Engelmann | Section Chief
